PRODUCT **CATALOGUE**

Introduction

Beaman Piping Solutions, a subsidiary of Moringa Farms PLC, was founded and registered in 2011 GC. Headquartered in Addis Ababa, Ethiopia, our company has firmly established itself as a trusted provider of comprehensive sanitary material supplier and distributers to a wide range of industries, constructors, and traders throughout the country. In addition, we have proudly introduced KAS, PALCONN, T-Flow plumbing materials, reflecting our commitment to innovation and quality in the sanitary solutions sector.

Since our establishment we have built a strong and healthy market reputation by adhering to a simple principle: delivering reliable and efficient sanitary solutions. At Beaman Piping Solution, we understand the significant challenges in the plumping sector, which is why we have organized dedicated innovative consultancy & after sales service depart. These depart are equipped with cutting-edge sanitary innovations, enabling us to tackle complex sanitary projects effectively.

Our commitment to excellence and customer satisfaction has allowed us to forge strong partnerships across various industries. Whether it's providing sanitary solutions to major corporations, supporting construction projects, or assisting traders in their sanitary needs, we strive to deliver tailored services that meet the unique requirements of each client.
