Introduction

Beaman Piping Solutions, a subsidiary of Moringa Farms PLC, was founded and registered in 2011 GC. our company has firmly established itself as a trusted provider of comprehensive plumbing material supplier and distributers to a wide range of industries, constructors, and traders throughout the country. we have proudly introduced a T-Flow plumbing materials, reflecting our commitment to innovation and quality in the sanitary solutions sector.

Since our establishment, we have built a strong and healthy market reputation by adhering to a simple principle: delivering reliable and efficient piping solutions. At Beaman Piping Solution, we understand the significant challenges in the plumping sector, which is why we have organized a dedicated innovative consultancy & after-sales service departments. These departments are equipped with cutting-edge plumbing material innovations, enabling us to tackle complex sanitary projects need effectively.

Our commitment to excellence and customer satisfaction has allowed us to forge strong partnerships across various industries. Whether it's supplying plumbing materials to major corporations, supporting construction projects, or assisting traders in their sanitary needs, we strive to deliver tailored services that meet the unique requirements of each client.

About us

Our objective

- Our objective is to become one of the leading market shareholders in the construction sector by providing plumbing and sanitary solution in Ethiopia.

Our goal

- Customer satisfaction is the ultimate goal of our company with quality service through our most organized and professional teams working with us.

Mission

We are committed to providing our service at the right time and the right place with zero tolerance for inconvenience.

Our mission is to offer our customers the finest quality and best selection of products with the quickest service in the industry. We believe good service is worrying about the details so our customers don't have to. Beginning with its inception Beaman Piping Solutions has developed a long-standing reputation of offering the best line-up of sanitary products internationally renowned and with abounded stock and Maintenance Service at the most competitive prices available.

Furthermore, we hire and train outstanding people at our General Supply Company. This allows us to focus on treating customers as long-term partners, exceeding their expectations, and delivering every order with a speed and accuracy unparalleled in the industry.

We are very proud to be associated with several leading manufacturers and the top-quality products they offer.

Vision

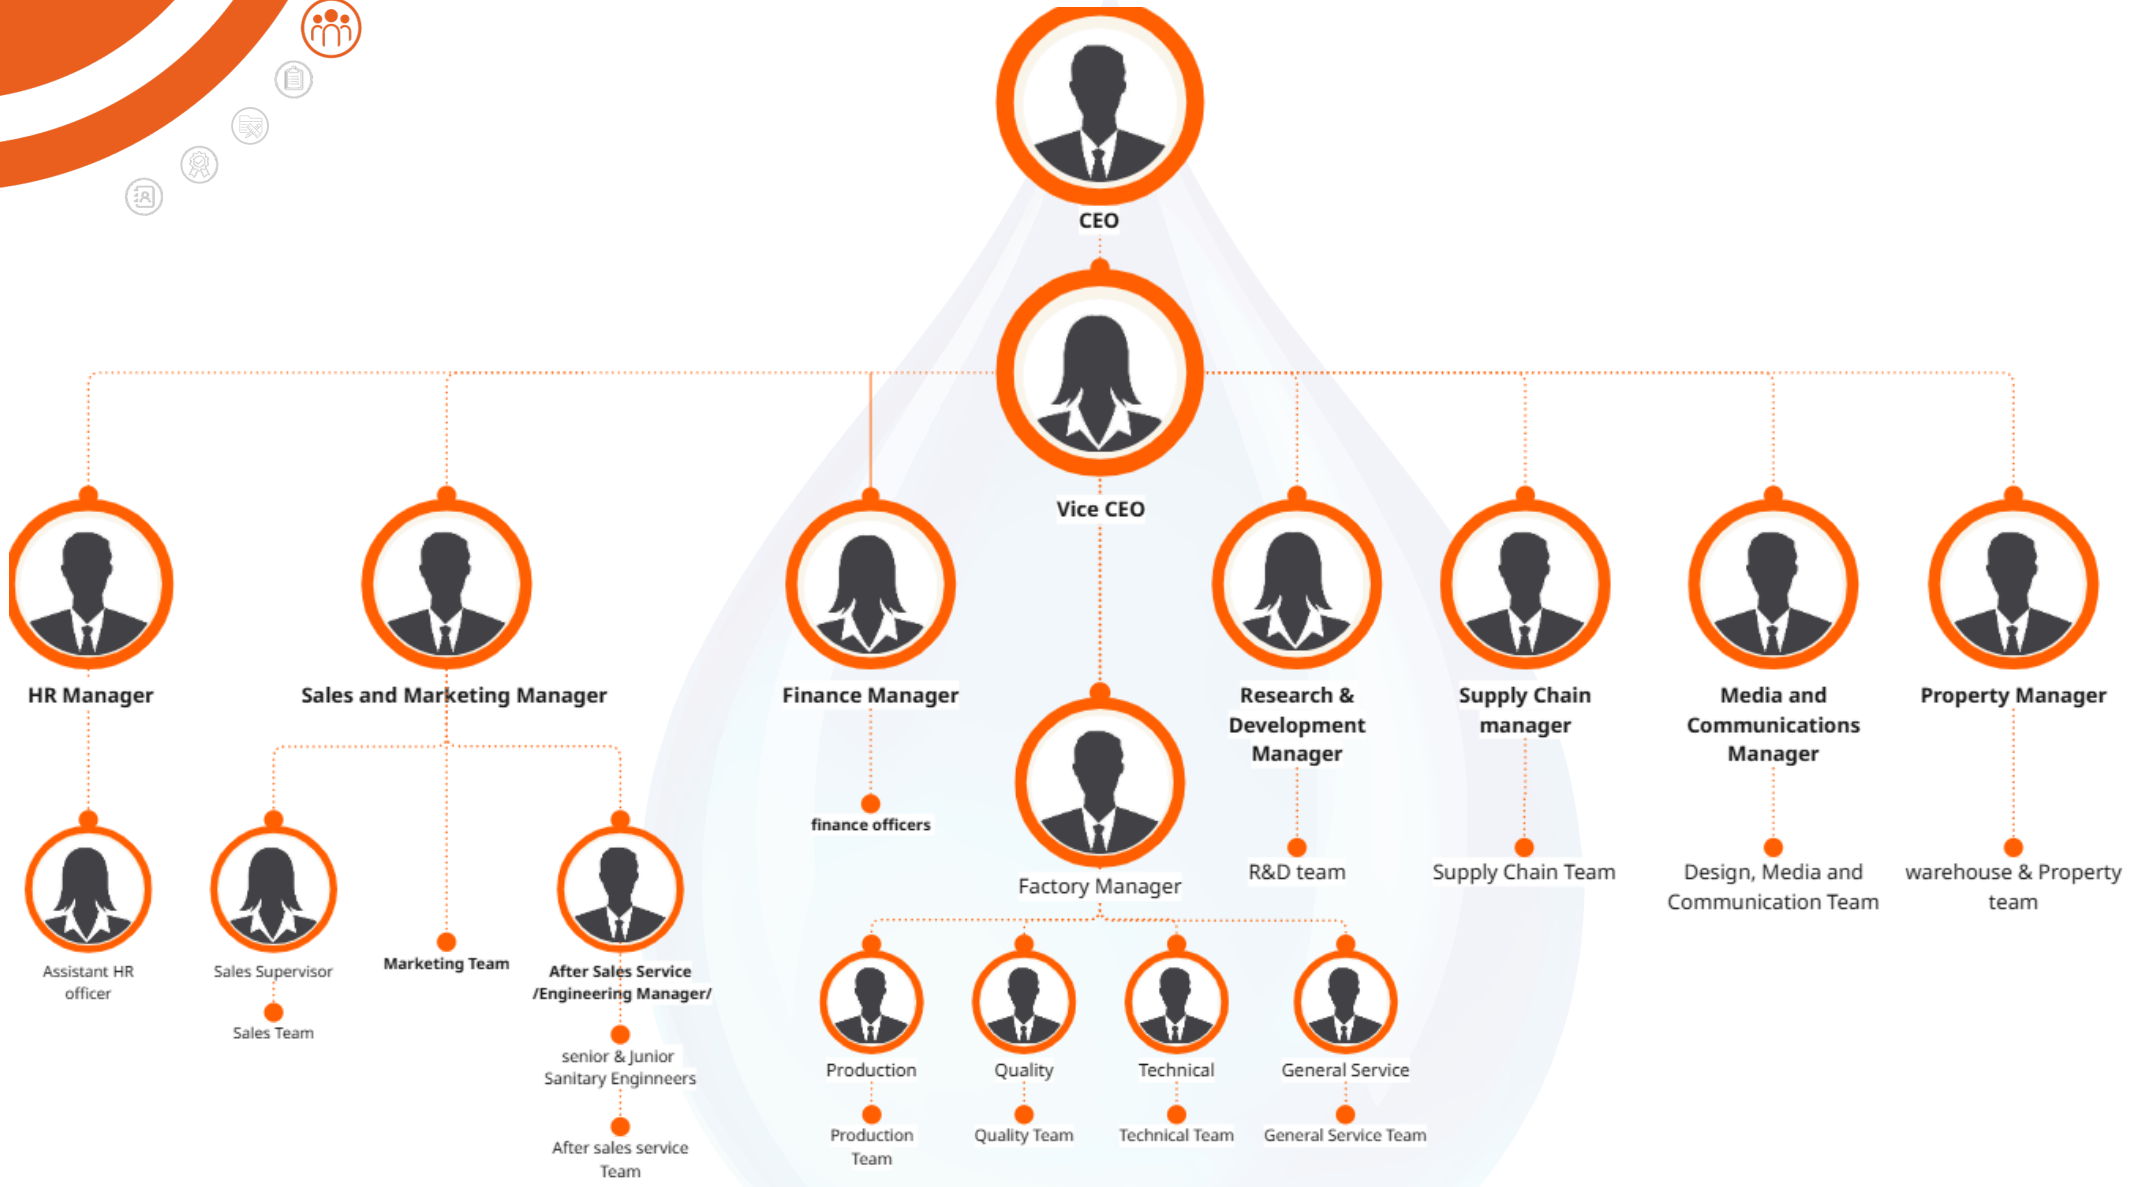

- To be referred as the most favorable company in the plumbing material supply in Addis Ababa & regions all over the country.

Core value

- Continues R&D studies
- Special attention for customers satisfaction
- Addressing the end user
- Reasonable price, No compromission in quality
- Diversification of products Employee
- satisfaction & life development
- Easy & accessible
- Value nature & humanity

The Team Hierarchy

What we offer

Beaman piping Solution offers a comprehensive range of products and services to meet the Sanitary needs of both public and private customers in the commercial and domestic markets throughout the country. We pride ourselves delivering T-Flow high-quality PPR, HDPE and UPVC pipes, fittings and valves that meet international standards.

Our commitment to customer satisfaction is reflected in our responsive approach consultancy, train and certify plumbers, stock availability, after sales services and cost-effective solutions (saving our clients from extra cost).

Products:

Discover our wonderful range of T-flow brand PPR pipes and fittings, famous for their exceptional durability and reliability. We also offer UPVC pipes and fittings that are 100% LEAKAGE-free and designed to keep things quiet, ensuring no leaks and excellent sound suppression. Plus, our HDPE pipes and fittings meet high-quality standards and are always in stock for your convenience.

What we offer

Services:

1. Training & Workshops:

- Train & certify plumbers: We provide training programs to plumbers, enabling them to **update their skills and receive certification.**
- Introduce new technology innovation & new installation options: Our workshops introduce plumbers to new technologies and installation techniques, ensuring they stay up-to-date with industry advancements.

What we offer

2. Quantity Modification & Maintenance Consultancy Services:

- **Strategic Material Supply:**
  We provide consultancy on the selection and procurement of plumbing and sanitary materials, focusing on quantity optimization to reduce waste and ensure cost-effectiveness without compromising quality.
- **Installation & Design Optimization Consultancy:**
  Our experienced experts offer consultancy during the planning and design phases of both commercial and domestic projects. We focus on creating efficient layouts that minimize material requirements while adhering to all necessary standards.

At Beaman Piping Solution, we are dedicated to providing value through a deep understanding of your specific needs. Our commitment lies in delivering exceptional customer service and building strong, lasting relationships. Our dedicated team is ready to collaborate closely with you, adapting to your evolving requirements and helping you achieve your goals for efficient, cost-effective, and sustainable plumbing and sanitary systems.

What we offer

Free of charge services:

1. **Training**: Enhance your knowledge and skills with our free training programs, designed to empower plumbers with the latest industry techniques, ensuring efficient and professional service.

2. **Consultation**: - Benefit from our expert consultancy services, where we offer valuable insights and guidance on plumbing and sanitary systems, helping you make informed decisions for your projects, at no cost to you.

3. **Delivery**:- Enjoy the convenience of free and reliable delivery services, ensuring timely and hassle-free transportation of plumbing and sanitary supplies to your doorstep.

4. **Drain Cleaning:** - Say goodbye to clogged drains with our complimentary drain cleaning service, utilizing advanced techniques to ensure smooth and efficient drainage systems.

Projects

At Beaman Piping Solution, we specialize in providing exceptional plumbing and sanitary solutions to the commercial and public sector industries. With a strong commitment to innovation and industry best practices, we strive to deliver the cutting-edge solutions our clients need to excel in today's competitive marketplace.

We provide clients with experience, quality, dedication, and professionalism and as a result have become a leader in providing piping and sanitary solution services in Ethiopia (Addis Ababa, Adama, Bahirdar, Hawassa, Gonder, Jigjiga, Mekelle & Welayta many other states).
